Features Key:

Single Player Campaign. Expand your character and experience a story that seamlessly connects various fragments.
Rich and Diverse World. Unparalleled Fantasy Scale. Massive Natural Landscapes and Dungeons with Complex and Three-Dimensional Designs.
Free and Natural Control of Characters. Make a shift in combat and have the power of the character you want easily brought to life.
Great Multiplayer Elements. Be together with other players, travel together, and participate in battles with other players using asynchronous online elements.
A New Fantasy Action RPG Inspired by the Eastern Architecture Style.

Features of "The Tarnished Chronicles" for iOS:

- Automatic Updates
- Easy Install
- You can trade various items available in the offline shop or other players' online shops
