The trick? It's an interactive fairy tale! Features of Ideal Toy: • Three Steps to Play: Stage one: Story begins with 2 players introducing themselves. (Storyteller and player, or the player introduces himself as well) (1) Stage Two: The player sits in front of one of the Disney characters. (2) Stage three: Prompts appear on screen for the player to interact with the story. (3) • Control Your Fairy Tale Experience: The player can choose to hear the entire story with no prompts, or choose any point in the narrative to make his or her experience his or her own. He or she may also choose to skip the story with no prompts. What's more, the player can make
