U.P. Engineering College Jalandhar Each of these stories is fun to explore, but ultimately, they are just a diversion from the craft of writing. If you make them just to avoid a difficult deadline, the writing will suffer. The purpose is to find the core of the story, then let the side issues grow out of that.Q: Incorrect conversion of unsigned long to char, why does this happen? This is my code: unsigned long long d = 500ll; cout > d; cout basic\_string to\_string( const basic\_string& str,
