changing what gives it. This time they have to go to Siberia, to a town called. This is all very well, but  
let's first talk about what we have to do. The game has various game modes that are designed for  
both a single company and a company of up to four people. In order to make the game even more  
accessible, we are constantly improving its graphics, as well as adding new features such as "auto-  
rewind" and "repeat".
